SUMMARY

Issue - Should the City Council appoint new members to the City of San Diego Youth Commission?

Manager's Recommendation - Appoint new members to the City of San Diego Youth Commission.

Fiscal Impact - None with this action.

BACKGROUND

On April 15, 2002 City Council established and appointed members to the City of San Diego Youth Commission. The Commission was established to provide young adults, between the ages of 14 and 22, an opportunity to play a vital role in the City's government process.

The Commission has been meeting regularly since June 2002 and has participated in and/or sponsored a number of key activities. Manager's Reports 02-042 and 03-016 provide additional details regarding the appointment and activities of the Commission.

DISCUSSION

The Youth Commission has recently experienced a high amount of attrition due to educational commitments. This has resulted in a number of vacancies. In order to maintain Citywide representation and ensure the Commission continues to move forward it is critical to fill the vacancies and appoint the attached perspective commissioners.
